GSA's International Products & Services EXPO...

**Your free training source for
best practices in procurement,
innovations in technology,
and many other career-building topics
designed with you in mind!**

GSA's annual training extravaganza will be held in Orlando, Florida on May 22-24, 2001. EXPO 2001 is a dual Training Conference/Exposition designed for the Federal acquisition community to aid in everyday procurement decisions.

The Conference tracks will feature topics including Professional Procurement, Winning Partnerships, Travel & Transportation, E-Business, and much, much more! You won't want to miss this FREE opportunity to help you keep pace with the changes that impact your agency. As procedures are streamlined and simplified, those involved must learn how to work faster, contain costs, be more effective, and maintain the highest standards of quality.

The trade show will showcase over 800 of GSA's commercial partners - across 300,000 square feet - each featuring a sampling of the wide-range of products and services available through GSA. From the latest in information technology, furniture and appliances, tools, vehicles, athletic equipment, office supplies and so much more. This is *the* premier government trade show located in one of the world's most popular tourist and convention destinations.

Meet and interact with your peers and experts from around the country at this must-see event! Take charge of your own professional development and chart your career by keeping abreast of procurement and technology innovations. For more information on registration, check out our web site at...
